Get more done faster with the Xerox B310 Printer and Xerox B305/B315 Multifunction Printer (MFP).

These fast, compact, blackand-white workhorses are ideal for lean, busy work teams, home offices and tight spaces. They're ready to work hard right out of the box, delivering the ease, speed and reliability you need to stay productive, nimble and secure.

SET UP AND GO

Xerox® Smart Start Software automates the installation process, allowing you to hit the ground running without IT assistance. You can connect to your home or company Wi-Fi in minutes and get on with your day.

UNPARALLELED PERFORMANCE

Higher print speeds and day-in, day-out dependability are just the beginning. The B305/B315 MFPs go beyond business basics to deliver fast color and B&W scanning, duplex scanning for more applications and better paper handling with more trays for higher capacities and usage. The B315 takes it even further with the ability to fax.

QUIET, PLEASE

Ultra-quiet operation meets big performance packed into a compact frame. Even the MFPs are small enough to fit where you need them, so you can scan, print, copy and fax* with fewer interruptions or distractions.

SINGLE-CLICK SIMPLICITY

Get more out of every click with Xerox® Print Drivers and the Xerox® Print and Scan Experience App. One-touch convenience is at your fingertips with quick access to printer presets and print functionality from your laptop or desktop. And scanning is a snap with features like auto-straightening, auto-cropping images and receipt scanning.

MOBILE FLEXIBILITY AND FREEDOM

Print how you please, anytime and anywhere. Built-in Wi-Fi connectivity and features like Apple AirPrint, Mopria and Wi-Fi Direct® make it easy to print from mobile devices, laptops, tablets, Chromebooks or desktops.

SECURITY YOU CAN COUNT ON

Comprehensive, end-to-end security protects against increasingly sophisticated cyber threats, safeguarding access while keeping data and documents secure.

LOWER COSTS, LESS WASTE

Only the highest internationally recognized standards for environmental performance will do, including Blue Angel and EPEAT. Long-lasting, high capacity toner keeps running costs low, while our **Green World Alliance**** recycling program makes it easy to improve your eco-footprint with simplified cartridge recycling.

^{*} Fax capabilities only available on B315 MFP
